Ron, I can make the meeting at 11:30 with Jon and WPD folks on communications roll-out.

Couple of other items, fyi.....

Rich and Ann's recon visit yesterday was useful if uneventful..... besides getting the lay of the land for door-to-door surveying they also scoped out logistical options for where we can set-up our operations when we do sampling since we'll need some place to work out of. They had no interaction with citizens.....

The 4 OSCs who will work with the CICs on survey teams will be Rich Fetzer, Ann DiDonato, Rich Rupert & Stephanie Wenning.

Thanks, den.
